Colorado Picker's Guide

I created this book in Spring of 2023 as a service to the bluegrass community in Colorado and around the world. I pulled chord progressions, where available, from Strum Machine: <https://strummachine.com/app> This website is an incredible resource and I highly encourage you to pay the small fee for access. Chord progressions are posted by community members and may have mistakes. To download the PDF or if you have corrections or suggestions (including song additions), please go here:

<https://www.philipfernbach.com/colorado-pickers-guide>

There is a Spotify playlist of the songs here:

<https://open.spotify.com/playlist/5OjzLfYmeJvZq42ZAiNASN?si=5bf3d139690e44c3>

Chord markings are in Roman Numerals and based on the Nashville number system. In all cases “b” means flat, “#” means sharp, and “m” means minor. If you have any questions feel free to reach out.

Happy Picking!
